

**Independence High School Orchestra
Financial Aid Application
Parent and Student Agreement**

Student's Agreement

I understand that financial aid for Spring Trip is a privilege, and I will do my best to deserve it by being a responsible orchestra member. This means that I will practice my instrument, attend orchestra rehearsals, sectionals, and help with the volunteer opportunities. **I will commit to fundraising this year (selling at least three boxes of chocolate).** I am also encouraged to check in with my orchestra director to see what I might do to help. I am making a commitment to stay in orchestra until I graduate from high school.

Parent's Agreement

I understand that this award is a privilege and if my student is granted this scholarship, I will do my best to see that my student takes full advantage of it. I realize that the money that supports these awards comes from the fund-raising efforts of the members of the Independence High School Orchestra students and Booster Club and that one of the factors in allocating this financial assistance is the student's and parent's commitment to the orchestra program. I have read the student agreement above and I will help my student to fulfill this agreement. **I will also do my best to support my child's orchestra in its activities by volunteering for two events this year.**

Please state the personal efforts to fundraise for the spring trip that you have made already:

Please briefly state why financial assistance is needed.

Example: I have two students in orchestra both taking lessons.

Please return this form to Mrs. Titus no later than September 23rd.

Completion alone does not grant your student financial aid. Eligibility requirements and review from the booster board is required.
